ONLINE MARKETING

Your business depends on you to drive more prospects to your website. For just **\$99 a month**, **WebStart** can help you **climb the search engines, get found** and **drive traffic to your site**. You get:

- **More traffic to your own website**
- **Greater online visibility and presence**
- **Higher positions in search engine rankings**
- **Increased awareness about your business**

So, what is WebStart?

*A cost-effective program designed specifically for small businesses, **WebStart** is the most affordable way to promote your company on the Internet.*

Our complete solution includes:

- **Your own domain name**
- **A search-optimized one-page website**
OR
- **Help search-optimizing your existing site**
PLUS
- **Local listings on Google, Facebook and Yelp**
- **Monthly SEO promotion & link development**

What If You Had a Website and Nobody Came?

You Need to be
on **Page #1** on
Google.

Here's Why:

- **Fact: 85% of all web traffic comes from search engines***
 - **Fact: 450+ million searches/day are performed in the US***
 - **Fact: 60% of searchers NEVER go past 1st page of results***
 - **Fact: 70%+ of all searches are done on Google sites***
- (* Comscore, July'09)

***"Last month
we saw 6 new
patients who
found us on
our Website by
Verticalwerks.***

***Because we
were #1 in the
organics they
chose us."***

- Brett Johnson, DMD
